HX-Z8

8-Inch XL Rugged Portable Smart Navigator With Google Services

Hema maps

Navigate off-road & discover new horizons.

Introducing Alpine's HX-Z8, the ultimate outdoor co-pilot. Engineered for adventure, this rugged tablet is your go-anywhere, do-anything device. Featuring fully integrated Hema Maps, it delivers unrivalled off-road navigation, helping you explore with absolute confidence. Whether mounted in your 4WD or in-hand on the trail, its tough exterior, long battery life, and versatile features make the HX-Z8 the perfect tool for staying connected wherever your next journey takes you.

Stay Connected.

Featuring Android OS, 4G capability, Wi-Fi, and Bluetooth, Alpine's HX-Z8 ensures you're connected no matter where you choose to go, perfect for remote communication, media, or syncing to your Alpine head unit.

Go Anywhere.

Navigate with confidence using integrated Hema maps, trusted by off-roaders and adventurers. With detailed tracks, campsites, and topography, you'll always know where you are on your journey with pin-point accuracy.

High Durability for Extreme Conditions.

The rugged and durable HX-Z8 is highly shock and dust resistant, IPX68/IPX69K waterproof rated, and MIL-STD-810H Military Certified. Built to endure the harshest conditions and prepared for any off-road adventure or challenge.

Long Lasting Performance.

Powered by a responsive Octa-Core processor, 16GB RAM, and a massive 18W fast-charging battery, the HX-Z8 handles multitasking, navigation, and outdoor use with ease, providing 414 hours standby and 12 hours navigation time.

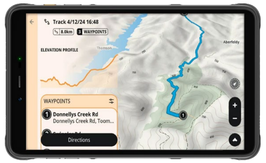
KTX-HX8 Rugged Alloy Professional Mount

The KTX-HX8 Pro Mount is engineered with a rigid alloy body and a 360-degree rotational dock that firmly secures the display with a locking mechanism for maximum grip.

Furthermore, its four anti-vibration torsion dampeners and innovative triple-action vacuum pad makes it the ultimate off-road mounting solution and an industry game-changer.

Hema 4WD Maps

Access Hema's renowned 4WD map collection, rich with topographic maps, track difficulty, and terrain data. Perfect for overlanding, route planning, and serious off-road challenges.

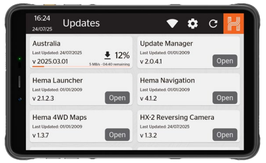


Hema 3D Explorer Maps

Hema 3D maps are the ultimate visual aid to help guide you to any remote destination, with detailed elevation lines as well as track difficulty information, you'll always know what to expect.

On-Road to Off-Road Navigation

Featuring detailed route planning, turn-by-turn directions, and seamless transitioning between on-road and off-road navigation, Hema ensures you arrive at your destination smoothly.

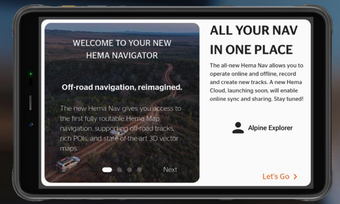


Online Map Updates

Keep your maps and content up to date with the latest map updates. With a constantly growing list of points of interest, tracks and much more you'll always be ready for your next adventure.

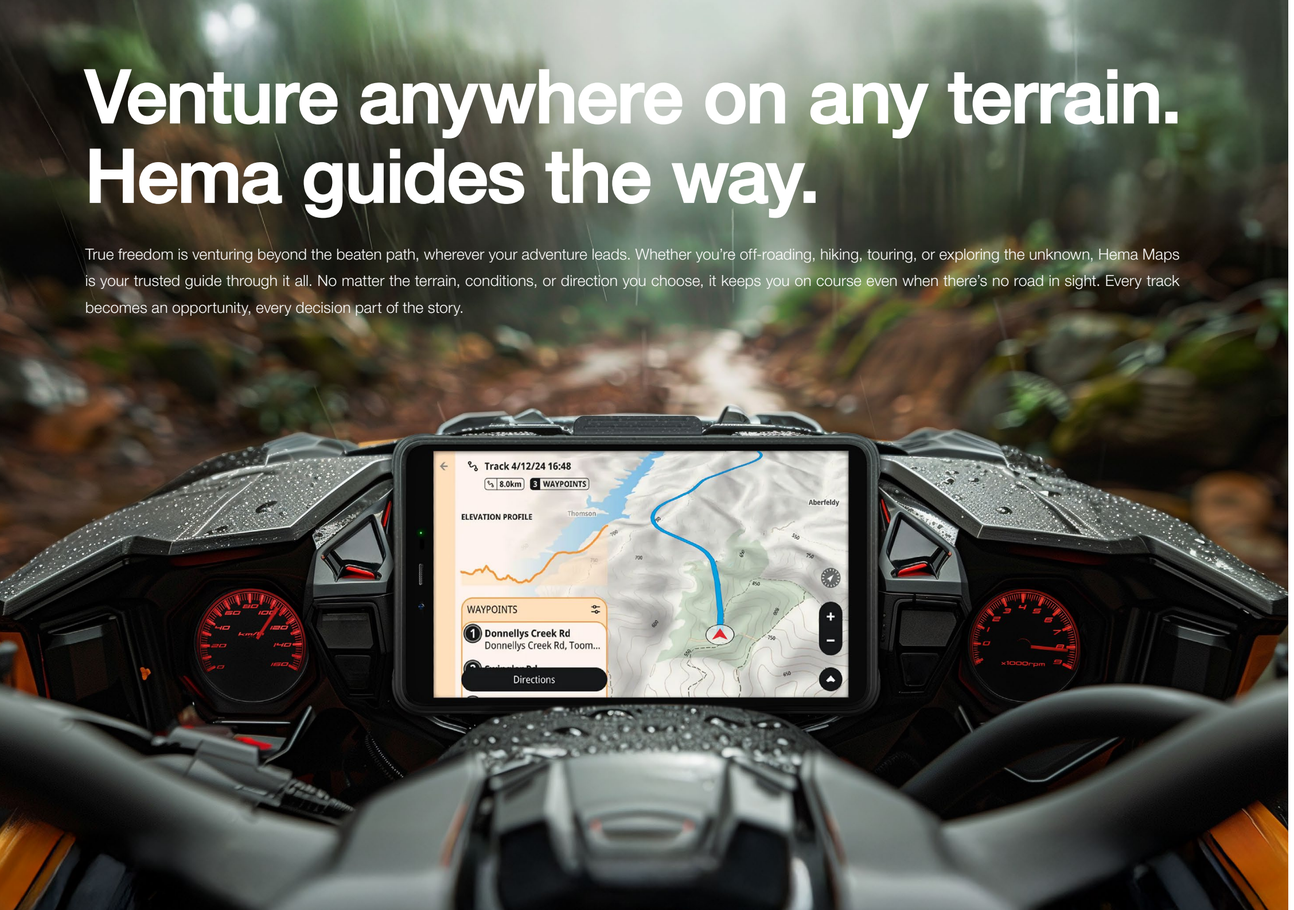
Plan your journey on the cloud & stay ahead.

The Hema Cloud is conveniently accessible on any of your connected online devices, allowing you to spend more time exploring and less time planning. Design your entire adventure at home or on your journey, then transfer your route using the Hema Cloud and get ready to hit the road!



Venture anywhere on any terrain. Hema guides the way.

True freedom is venturing beyond the beaten path, wherever your adventure leads. Whether you're off-roading, hiking, touring, or exploring the unknown, Hema Maps is your trusted guide through it all. No matter the terrain, conditions, or direction you choose, it keeps you on course even when there's no road in sight. Every track becomes an opportunity, every decision part of the story.

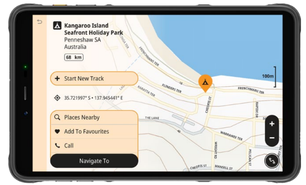


On-Road or Off-Road. No Worries.

For the ultimate weekend trip or getaway, Hema off-road navigation is built for thrill seekers leading active lifestyles. With detailed maps, cartesian lines, and track routes, you can tackle any terrain with confidence.

Hema Explorer Map

The all new Hema features off-road 3D maps, as well as topographical maps for explorers and enthusiasts, with highly accurate tracking and navigational function. Discover national parks, desert dunes, trails, or any unsealed roads Hema makes every journey a confident adventure.



Campsites & Points of Interest

Want to know if your planned accommodation has power, laundry facilities, or amenities, ETC—or prefer to phone ahead to check availability? Hema's vast database library helps you plan to perfection, ensuring there are no unwelcome surprises.

The Most Thrilling Rides You've Ever Had.

Featuring a bright, glove-friendly 8" display, the HX-Z8 is built for the open road—rain, hail, or shine. Dust, vibration, or rough terrain? No problem. With a rugged design and 3D terrain mapping, you'll spot every twist and turn ahead of time ensuring you'll always have the advantage.

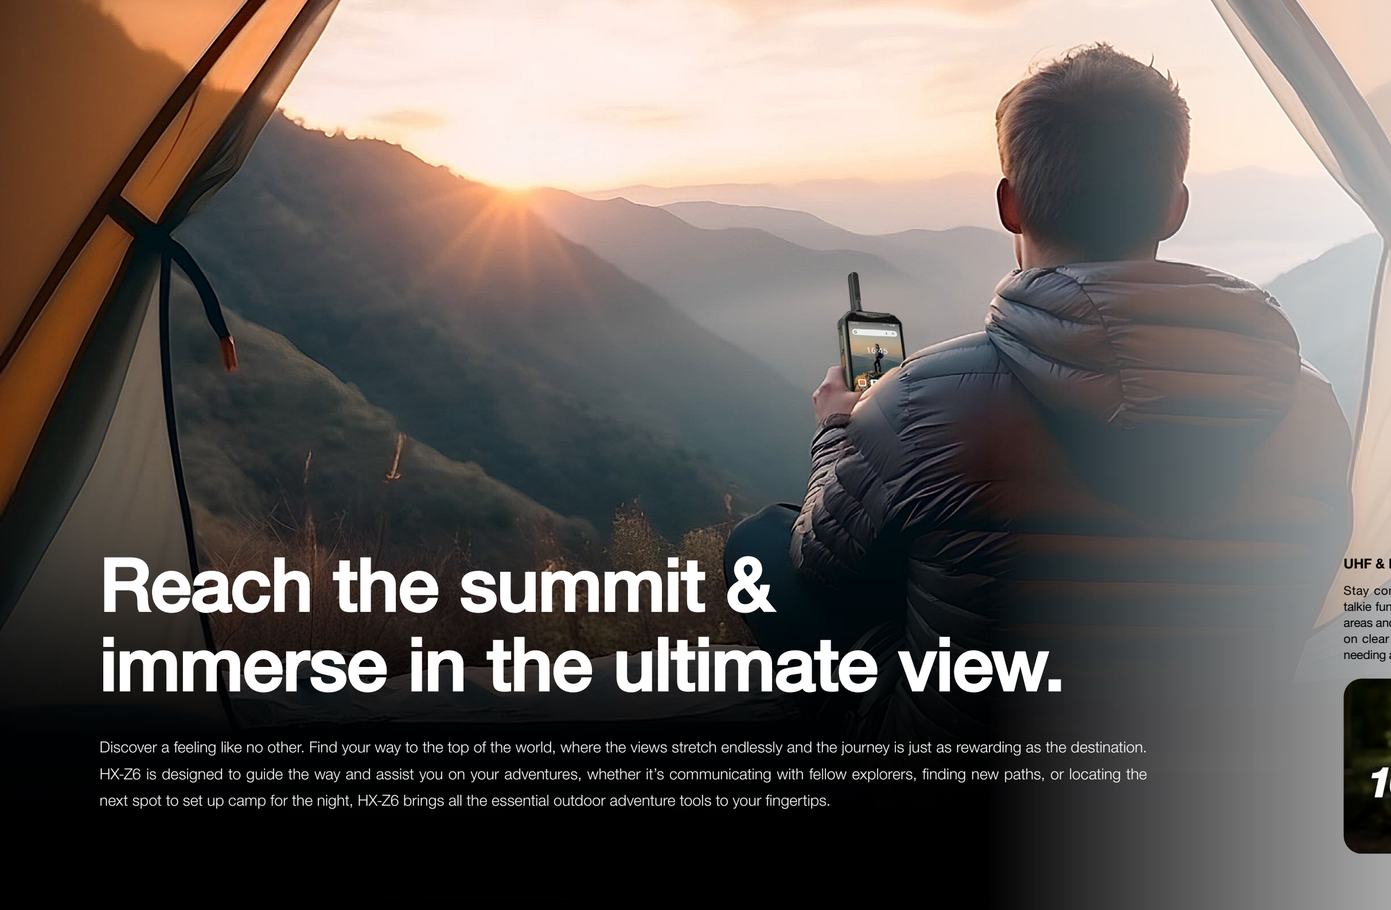
For Riders Who Live to Explore.

Riding a dirt bike demands precision and durability. Whether you're carving through forest trails, venturing rocky climbs, or blazing across deserts—Hema off-road maps keeps you on course. And with waypoints keeps you on track even in the most remote areas.

HX-Z6

5.6-Inch UHF DMR Smartphone Navigator With Google Services

Hema maps



Reach the summit & immerse in the ultimate view.

Discover a feeling like no other. Find your way to the top of the world, where the views stretch endlessly and the journey is just as rewarding as the destination. HX-Z6 is designed to guide the way and assist you on your adventures, whether it's communicating with fellow explorers, finding new paths, or locating the next spot to set up camp for the night, HX-Z6 brings all the essential outdoor adventure tools to your fingertips.

UHF & DMR (Digital Mobile Radio)

Stay connected anywhere with built-in walkie-talkie functionality. With up to 10km range in open areas and up to 5km in urban terrain, you can count on clear communication in any situation without needing a mobile signal.

Go Anywhere

The HX-Z6 opens up a world of opportunities to venture outdoors and explore new landscapes. From hiking up a mountain to roaming through a forest you can be confident of your surroundings and where to go.

High Durability for Extreme Conditions

Rugged and durable, the HX-Z6 is shock proof, dust proof and is waterproof to IP68/IP69K standard. Moreover, it's MIL-STD-810H Military certified to perform in the harshest of environments, ready for any off-road adventure or outdoor conditions.

Long Lasting Performance

Powered by a MediaTek Helio G99 octa-core processor, 12GB RAM, and a massive 10,850mAh battery with 33W fast charging, HX-Z6 delivers outstanding performance, offering up to 600 hours standby and 39 hours of talk time.

HX-Z6

NFC & Google Pay

Make contactless payments on the go with built-in NFC and Google Pay. Convenient, fast, and secure, perfect for fueling up, grabbing supplies, or paying without reaching for your wallet.

Dual-SIM & Micro SD Memory

Triple card slots offer dual SIM capability and a dedicated microSD slot. Stay connected, expand storage, and travel lighter, no need to choose between flexibility and functionality.

Face Unlock & Fingerprint ID

Access your device securely and instantly with Face Unlock and side-mounted Fingerprint ID. Two fast, reliable ways to unlock, whether you're gloved up or moving fast.

Gloves Mode

Use the touchscreen even with gloves on. Gloves Mode keeps the display responsive in challenging conditions that require gloves, ideal for rough terrain, winter trails, or hands-on adventure.

Explore forest sanctuaries & mountain ranges.

With Hema Maps you're free to go further. Discover hidden tracks, remote campsites, and the unseen beauty of the backcountry with confidence. Every path is mapped with detail and care, guiding you through the unknown. Whether you're deep in the bush or far beyond reception, you're never truly lost. HX-Z6 is more than just navigation, it's your tour guide for limitless exploration and unforgettable journeys.
