Exterior Colour

Nue Classic Design lets every shade of colour tell a story. Our bold, vibrant color palette is a tribute to California's expressive spirit—from deep ocean blues to sun-soaked sand and canyon greys and tropical forest greens. These aren't just colors; they're moods, memories, and moments captured in motion.

Designed to stand out and made to resonate, each hue is carefully chosen to enhance the car's timeless lines while inviting a fresh, modern energy. Whether you're drawn to daring contrast or subtle richness, this is your canvas to make a statement—unapologetically.

Because classic doesn't have to be quiet.

Body Styling & Wheels

The 'Moon' chrome wheels are more than just a nod to the past—they're a statement of presence. Meticulously finished to reflect both light and legacy, each wheel adds a layer of brilliance to the car's vintage-inspired silhouette.

A signature of timeless automotive style that balances retro soul with modern refinement, these wheels don't just shine—they speak.

The chrome headlights, grille and bumper bars are the bold heartbeat of its design—where vintage charisma meets modern precision. Expertly crafted, these gleaming accents frame the front with a confident shine, reflecting the legacy of classic roadsters while embracing contemporary refinement.

More than just details, the grille and bumper bars deliver presence and protection, capturing the spirit of timeless craftsmanship and the fearless attitude of open-road legends. The perfect balance of strength, style, and heritage—made to stand out wherever the journey takes you.

Beast

Inspired by the legendary spirit of Route 66, Nue Classic reimagines vintage automotive design for a new generation of explorers. With sculpted lines, bold character, and echoes of mid-century Americana, it captures the romance of long highways, neon nights, and desert horizons.

This is where heritage meets the heartbeat of the road—classic form, redefined with modern precision and crafted for those who believe the journey should feel just as iconic as the destination.

Beast

As the sun melts into the ocean, casting golden hues across the horizon, the Beast+ graces the shoreline. Its polished lines glow warmly, mirroring the dusky sky above. The rhythmic sound of waves blends softly with the cool breeze. This is more than a car—it's a captured moment of freedom, adventure, and boundless possibility. A perfect blend of legacy and passion, crafted for those who seek sunsets.

Bespoke Interior

Step inside and be immersed in your individualised interior. Every surface, every saddle stitchline, every detail has been thoughtfully designed and curated to reflect sense of luxury to be selected by your taste and desire. Soft-touch alcantara, modern nappa leather look materials and stitch patterns come together in perfect harmony, creating an environment that feels both timeless and entirely your own. The the texture, the way the light moves across the restyled interior—it's all intentional.
