## Types of Precautions

 Prohibited	Indicates a prohibited action (must not be performed).
 Prohibited	Indicates that disassembly is prohibited.
 Mandatory	Indicates a mandatory operation (must be performed).
	Indicates that it should draw your close attention.

 **Warning**

**In case of problems, please stop using the device immediately.** 

Continued use may result in personal injury or damage to the product. Please return the product to the authorised Alpine dealer or nearby Alpine service center for repair.

**The product is only suitable for 12V negative-grounded vehicles.** 

Use within other types of vehicles may create a fire or electrical hazard.

**Please contact a professional for wiring and installation.** 

This product requires professional expertise to wire and install. Please contact the dealer from whom you bought the product to install it safely.

**Please do not disassemble or refit.** 

Doing so may result in product damage, fire or electrical hazard.

**Small items like bolts or screws must be kept out of the reach of children.** 

If ingested, please seek Immediate medical attention to avoid serious injury.

**Please do NOT use functions that may distract you while driving.**  

Any device function that may influence your attention must be used only when the vehicle is stopped completely. To use these functions, make sure to stop your vehicle in a safe area first. Otherwise, it may result in an accident.

**While driving, you must maintain the volume at a level that allows outside noise to remain audible.**  

It is very dangerous not to hear an emergency vehicle alarm or road warning signal (such as a railway crossing) and may result in an accident. Moreover, excessively loud volume may create permanent hearing damage or hearing loss.

 **Caution**

**Product maintainance** 

Please regularly clean the item with a soft, dry cloth. For tough stains, use only water to dampen the cloth as other solvents may result in dissolution.

**Temperature** 

Before starting the device, please ensure that the temperature inside the vehicle is between +60°C and -20°C.

**Repair** 

In the case of a problem, please do not attempt to repair the product yourself. Please return the product to the authorised Alpine dealer or Alpine service center.

**System matching** 

This product is specially designed for Tesla cars and is not suitable for other vehicles.

**Installation environment**  

The device cannot be installed at the following locations:

- Under direct sunlight or near a source of heat.
- With high humidity or near a source of water.
- Dusty environments.
